earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 15 cents a large bar."
Read this letter, written Feb. 14, 1918, by Mrs. Albert Southcost of Median, N. Y. It seems like a miracle, but, it is true, every word of it.

I know it because I get similar latters almost every day from people who have used my ointment for old sorts, exams and piles.

Is it asy wonder I am happy?

"Dear Sirs.—
"I was an untold sufferer from an old running sore and ulears. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars worth of the salve I am cured. The ulear was 2 inches by the inches, is all healed and I can walk. Never, never will I be without Peterson's again.

"You may use this to recommend four ointment if you wish. I cannot say enough to praise it. Yours truly, Mrs. Albert Southoott, Medina, N. Y.
